Agendas, Alternatives, and Public Policies

Elevating an idea on the policy agenda requires investments in more than one element and in the ways that the elements can complement one another. Investing in research alone to define a problem, for example, has less chance of success than investing in problem definition and advocacy for proposals that get attached to that problem.

(PDF) Agendas, Alternatives, and Public Policies Second ...

This chapter examines John Kingdon's book *Agendas, Alternatives, and American Public Policy*, considered an alternative to the more technocratic existing theories of policy-making. It begins by summarizing what the book says about American public policy and looking at the interlocking innovations that made it so important. In particular, it analyses two political processes that differ from ...

Agendas, Alternatives, and Public Policy I8l only after undergoing a prolonged 'softening' process. As a result of softening, an alternative's workability, affordability, and legitimacy are established within the relevant policy communities. If alternatives change, they develop more through recombination than by mutation. In
