Also, shameless plug for the book that helped me pass: research and education association (REA) Human Growth and Development 8th Edition- with 3 full length practice exams. I kid you not, some of the practice questions were nearly word for word on the actual exam. I have no idea how they did that, but they did.

criteria, and classifications referred to in the fifth edition of the Diagnostic and Statistical Manual of Mental Disorders (DSM-5). The exam contains approximately 90 questions to be answered in 90 minutes.

Human Growth and Development | CLEP | download

Human Growth and Development: This was the first exam I took and I spent maybe one day a week for about a month studying with one or two harder days of studying right before the test. I used modern states (very few readings just the video and questions) and the REA book (for practice exams and read most chapters).

Bing: Clep Human Growth Development Rea

The CLEP Human Growth and Development exam covers the kind of material that is typically part of a one-semester introductory course in developmental psychology or human development. Test-takers should be conversant with the major theories and research connected with physical, cognitive, and social development.
