Death metal music inspires joy not violence - BBC News

Remember that in death metal, unlike many other genres, each band almost always writes their own music. That includes the riffs, drums, solos, and lyrics. Writing your own music demonstrates another dimension of instrumental mastery and talent, as well as making the music more personal and less manufactured.

Death Metal Music Genre Overview | AllMusic

Swedish death metal is a death metal music scene developed in Sweden. Many Swedish death metal bands are associated with the melodic death metal movement, thus giving Swedish death metal a different sound from other variations of death metal. Unlike American death metal groups, the first Swedish bands were rooted in hardcore punk. Although Norway is known for its quantity of black metal ...

Slam death metal is a style of brutal death metal subgenre which focuses on the 'mosh' parts (slams) rather than the blasting parts. The genre started in 1991 by the idea focused by Internal Bleeding but was not recognised as an official sub-genre until 1995 when their debut album Voracious Contempt was released. This was still not enough for most fans to go over to calling it slam death metal.

Death metal never attracted a wide audience, but to some diehard heavy metal fans, it was a preferable alternative to Metallica and Guns N' Roses -- who were selling millions of records in the late '80s and early '90s -- or the pop-metal of Poison. It kept a small, dedicated cult throughout the '90s. [Read More](#)

Death Metal Music

Out of the aggressive music and violent lyrics of Thrash/Speed Metal acts like Slayer rose Death Metal, a dark specter that played faster, with ultraviolet subject matter. In the '80s, bands from the U.K. - Napalm Death and Carcass - and from Florida - Obituary and Morbid Angel - created sounds appropriate for snuff films. Wallowing in gore, these bands used hyperbolically violent lyrics.
