Bing: Euthanasia And Religion A Survey

The purpose of this question was to determine how many females and males take the survey, as I suspect that females are more sympathetic to people and therefore, more likely to oppose euthanasia. Like I expected, more females than males took the survey, which supports my idea because most people are in support of euthanasia. 17 females took the survey, while 13 males took it.

Where To Download Euthanasia And Religion A Survey Of The Attitudes Of World Religions To The Right To Die

Religious views on euthanasia are both varied and complicated. While one's view on the matter doesn't necessarily connect directly to their religion, it often impacts a person's opinion. While the influence of religion on one's views toward palliative care do make a difference, they often play a smaller role than one may think.
