Evidence-Based Medical Consultation E-Book - 9781437710489 ...

Catatonia in the medically ill appears to have numerous etiologies, although etiology does not seem to modify the general treatment approach of prompt administration of lorazepam. Delirium and catatonia are commonly comorbid in the medical setting and should not be viewed as mutually exclusive. Elec ...

Evidence-based medical consultation (eBook, 2007 ...

Introduction. When aiming for patient-centred medicine and true shared decision-making, as is currently advocated in the medical literature [] and is in line with EBM, a fundamental step in this process is to share the relevant information between doctor and patient and to reach consensus on a decision [].This implies that we expect physicians to actively share evidence, experience and ...
