Feral Children and Clever Animals - Douglas K. Candland ...

A feral child (also called wild child) is a human child who has lived isolated from human contact from a very young age, and so has had little or no experience of human care, behavior or human language. There are several confirmed cases and other speculative ones. Feral children may have experienced severe abuse or trauma before being abandoned or running away.

Feral children and clever animals : reflections on human ...

One way that reveals itself in European ideas of the eighteenth and nineteenth centuries was to examine "feral" children--that is, children presumably raised outside culture and civilization--who were presumably raised by animals. In this book, I first reexamine what is known about some of these so-called feral children: namely, Peter, Victor, and Kaspar Hauser, and the "wolf-girls" of India, Amala and Kamala. In Chapters 1 and 2 I examine not so much the dramatic aspects of the children ...
