## **Green Criminology - Criminology - Oxford Bibliographies**

Green Criminology takes an ecocentric (environment centred) approach to crime, and criticises traditional criminology for being too anthropocentric (human-centred). White's (2008) three important principles of green criminology – based on environmental rights and environmental justice; it's ecocentric – rather than based on human domination over nature; It should include Animal rights ...

media, journals, databases, government documents and more.

## **Green criminology - Wikipedia**

The first outline of a 'green criminology' occurred in Michael J Lynch's (1990) essay, 'The greening of criminology' in *The Critical Criminologist*, although, as the author himself has observed, this call had little impact (Lynch, 2013: 44). Generously, Lynch suggests that it was later in that decade, with the publication of a special issue of *Theoretical Criminology*, edited by Nigel ...
