Bing: Herbal Clinician Herbal Actions Treatments

Herbal medicine has long been associated with the treatment of liver diseases in clinical settings, especially in East Asian countries (e.g. China, Japan, Mongolia). However, multi-target and multi-functional effects, among other factors, have made fundamental mechanistic insights and general pharmacological interactions difficult to elucidate and therefore, treatment efficacy is difficult to ...

Herbal Clinician Herbal Actions Treatments

A Guide to Common Medicinal Herbs. Here's a look at some of the more common medicinal herbs. Most herbs have not been completely tested to see how well they work or to see if they interact with other herbs, supplements, medicines, or foods. Products added to herbal preparations may also cause interactions.
