How to think about coronavirus risk in your life - Vox

The vast majority of bird owners prefer to keep their feathered friends inside their homes. But some owners opt to house their birds in outdoor enclosures some or all of the time. While keeping pet birds outside can have several benefits, such as giving them a natural vitamin D boost from the sun, there are also serious risks to outdoor housing.

Dr. Seuss - Inside Your Outside read by Varinthorn ...

If you have gnats in your kitchen sink drain then you can try pouring vegetable oil or olive oil there. These oils make create a thick covering around gnats and make them immobile. You may need to repeat this multiple times to get all the gnats, but it is extremely effective. 24. Hydrogen peroxide and water:
