Mandate for Change: Policies and Leadership for 2009 and ...

The just completed election here in New Zealand appears to have delivered a strong mandate for change, according to many political commentators. Note that the previous major party in power has been returned – probably without both of its prior partners – which stretches the idea of “change” a bit, but that doesn’t stop the rhetoric from being offered anyway.

Mandate for Change: the mandate has changed | Media ...

Change is a major part of our lives, whether it is change in industries, technologies or various sectors such as transportation, education, health care or social policies. But we still know little about when and how change occurs. Rahm Emanuel, former White House chief of staff, said you never want a once serious crisis to go to waste.

really do need from a who's who of progressive thinkers who've worked for change for years. This is a must read for the new administration and for all who want to help them succeed -- Julian Bond, Chairman Emeritus,

Chapter 25. Changing Policies | Section 1. Changing ...

Policy change is one path to permanent social change. For all of the reasons above, changing policies is really a way to change society. The policies in question may come from above, in the form of official government policies translated into laws or regulations. Or they may come from the grass roots, from unions and workplaces and social groups.
