LO3 - Know how politics affects music-makers and users

Historical Factors Originally, music was available to everyone in the simplest of forms such as singing and drumming. But as society became more complex, it began to restrict who had access to music. For example, in Tudor times travelling musicians were required to have a license to play music publically. Music was common in the...

influencing many artists to take on new form of music to raise awareness of such political issues within the community.

Politics/Society Music Theme Overview | AllMusic

The connection between music and politics, particularly political expression in song, has been seen in many cultures. Music can express anti-establishment or protest themes, including anti-war songs, but pro-establishment ideas are also represented, for example, in national anthems, patriotic songs, and political campaigns. Many of these types of songs could be described as topical songs

Bing: Music And Society The Politics

Music is closely connected with politics. In conclusion, political use of music is being done by the governments, protest groups, literally every single group in every society.
