CONFIRM BOOKING — REVOLVER UPSTAIRS - Bar, Thai Restaurant ...

Hello Revolver, I can write a macro to do this for you. I could also have the macro insert a cell comment with the name of the person who made the booking. That way when you place the cursor on a red cell (booked), the comment will be displayed telling you made the booking. If this a feature you would like to include, let me know and I'll add it.
