## Super Tiger .40(ringed) - RC Groups

I finally got around to downloading the ZIP file containing the parts lists for the S series Super Tigre engines. I found it odd that it didnt contain the S40 and S90 engines. I am working on an S40 for another forum member and in the process acquired an S45 I was going to part out.

### **Super Tigre S3000 The First Run - YouTube**

Super Tigre were one of the first manufacturers to use their own derivative of the Schneurle-ported liner, which they called Transfer Super Tigre (TST). It used up to six transfer ports (nominally three each side of the exhaust) plus two large, angled kidney-shaped boost ports at the rear, opposite the exhaust; these boost ports were a feature of Super Tigre's early very high performance ...

### **For over 50 years SuperTigre has given**

The manufacturer has produced proto-type mufflers for various Super-Tigre engines and a production version suitable for the 60 R/C is expected in the near future. Since these were not available at the time of testing, we ran some tests using the Gee-Dee Pike (British) and Koelliker (Swiss) mufflers currently marketed for the Super-Tigre 51-60 models.
