Sometimes words are unsayable, and other times words fail us completely because, for all the vibrancy and breadth of English, we still have major gaps in the lexicon. In The Secret Life of Words: English Words and Their Origins , you'll get a delightful, informative survey of English, from its Germanic origins to the rise of globalization and cyber-communications.

The Secret Life Of Words

The Secret Life of Words is a history of English and, by extension, of those that speak the language. It chronicles the introduction of words from continental Europe, Asia, the Americas, and Oceania. No place in the world has been unaffected by the reach of English, but neither has English been untouched by them.
