Yamaha Technical Academy The Yamaha Technical Academy (YTA) is the cornerstone of Yamaha's Technical Training Program. Our YTA Instructors combine comprehensive technical model information from the Yamaha Factory with 'real-world' diagnostic and troubleshooting skills developed over many years of actual dealership experience.

Yamaha focuses on technician shortage in 2018 training ...

This dealership has actively engaged in all training opportunities Yamaha Marine offers, including technical training at a Yamaha Marine training center, business management training and service management training. It also means their technicians have attended and completed many of our technical training courses.

Forgotten password - Yamaha Motor Europe N.V.

Via the "Hands-on" training the technicians further expand their troubleshooting knowledge to become experts in fault finding using the most sophisticated tools. In addition to the technical part there is also a strong focus on communication so that these technicians can educate their colleagues on the job
